

## SUMMARY OF INTERVIEW

### Attendees, Date and Type of Interview

A telephonic interview was conducted on Monday, October 6, 2008 by Applicant's representative, Raymond Smith, and Examiner Michael Borin.

### Exhibits and/or Demonstrations

None

### Identification of Claims Discussed

Claim 2

### Identification of Prior Art Discussed

None

### Proposed Amendments

Replacing "selecting" with "providing" in Claim 2

### Principal Arguments and Other Matters

Applicants' representative inquired whether the proposed amendment would overcome the objection to the claims as being drawn to a non-elected invention.

### Results of Interview

The Examiner would not take a position about whether he would be willing to consider such a claim as part of the elected invention. He did indicate that such a claim would need to be evaluated for compliance with the enablement requirement.
